**Notes:**

- The Court made introductions.

to the case, as requested in Mr. Becker's January 13, 2015 letter to the Court.

- The Court asked Ms. Weisman whether the United States anticipated requesting extensions for the existing deadlines.
- Ms. Weisman stated that the United States would request extensions following the filing of its answer in mid-February.
- The Court stated that it believed it would be best to wait to reset the settlement conference until the new pretrial deadlines were scheduled, and the parties agreed.
- The Court stated that it would vacate the settlement conference and schedule a second Rule 16 conference after the United States had filed its answer.
- The Court concluded the proceedings.
